

COMPANY PROFILE
RAMAITE INVESTMENTS (PTY) LTD
T/A
ACUITY ENERGY
(2016/355525/07)

Background

Ramaite Investments (Pty) Ltd t/a **Acuity Energy** is diversified Broad Based Black Economic Empowered South African Company, which has presence across various sectors such as Power and Wholesale Distribution of Petroleum Products.

The Company has an Import/Export license and permits which eases trading with its Global Partners. We are a Proudly South African Company and support the initiatives and government drives to support locally manufactured products, goods and services. We strive to find a niche to export opportunities for locally made products to our neighboring countries like Lesotho, Botswana, Eswatini, Mozambique and Zambia.

Ownership & Management

Acuity Energy is a 100% Black-Owned and successfully managed Company, with a B-BBEE Level 1 contributing status.

MISSION

To accomplish excellence in the field of Engineering, Procurement and Construction through World Class Practices and Standards in Quality, Safety and Environmental protection using state of the art tools and techniques of Project Management.

VISION

Acuity Energy will set precedence for commitment, trust and on-time delivery in the Power, Oil and Gas and the Petroleum sectors while we add value and inspire our customers because we recognize that they come to us by choice.

VALUES

- Customer Experience
 - Quality
 - Integrity
 - Transparency
